

**Maryland State Athletic Directors Association  
Professional Sponsorship**

Take a moment and consider all the MSADA offers in terms of professional growth and development for the athletic directors of the state, which in turn benefits our programs, athletes and schools. Through the MSADA, athletic directors can:

- Complete LTI Courses which enhance their professional competency
- Participate in workshop sessions which provide practical solutions for the various challenges they must meet in their positions
- Contribute to the annual MSADA Scholarship Program
- Contribute to the State Endowment Program
- Network with other athletic administrators
- Take advantage of mentoring opportunities from experienced athletic directors
- ...And much more

Please consider having your school, district, association and/or league in becoming a professional sponsor of the MSADA. Encourage your booster club to make a contribution. In order to continue its valuable efforts, the MSADA could use your support.

We already have a commitment from a several schools to be a professional sponsor. Will you be next? Please help the MSADA in their effort to promote quality athletic programs in the state of Maryland.
